UNION EVANGELISTIC CAMPA

Rev. Dr. Henry W. Stough Secured as The Evangelist-Expected Services will Begin October 10-Meeting Selects Officers and Committees.

For nearly three months the pasters of several of the local churches have had under consideration a union evangelistic campaign that should be begun early this fall. After no little investigation an invitation was extended, to Rev. Henry W. Stough D.D., of Wheaton, Ill., to come as the leader in this movement. Dr. Stough has been engaged in evangelistic work for many years. During the years of the recent has he has been associated with Rev. I. Wilbur Chapman, It has been perhaps in this affiliated work that he has become more widely known, for last winter during the great Chapman meetings in Boston Dr. Stough had dearge of the Cambridge campaign. Here he surpassed even the most sangulae hopes of his supporters leading in a large and successful movement. Early in the spring he went to New Bedford, Mass. a community which was hypercritical of the evangelistic methods of the day. Here he won a signal victory, transforming criticism into ardent support and gaining the co-operation of churches refusing to the samity of his methods and worth of his message.
